Webcast of DLR Annual General Meeting

25 November 2009

26 November 2009, 19.45 to 21.15 CET

On Thursday, 26 November 2009, the Annual General Meeting of the German Aerospace Center (DLR) took place in Berlin. The meeting concluded in the evening with a colourful science show, featuring highlights of DLR research projects carried out during 2009. DLR broadcast this event via a live webcast, which is now available on demand.

The programme was presented in an entertaining style and showcased DLR research and development activities carried out in 2009. This year's focus was on the DLR facility in Berlin and the fields of Space Exploration and Transport Research: the search for extraterrestrial life and 'Electric mobility - a drive into the future' were the main topics. The programme was presented in German, hosted by Claus Kruesken and Uli Bobinger.
